

SENATE BILL (SB) 205

FREQUENTLY ASKED QUESTIONS

SECTION 1: BUSINESS APPLICATION/RENEWAL PROCESS

If you need assistance with finding your SIC Code, please visit

<https://www.osha.gov/pls/imis/sicsearch.html>

For additional information on the SB205, please see Section 2 and Section 3 below.

Step 1. Enter your SIC code or description in the SIC code field shown below. As you are entering the first three characters of your SIC description, you will see a dropdown appear of SIC Codes that may apply to your business type.

A screenshot of a web form with a light blue background. On the left, there is a vertical list of labels: 'SIC Code *' (highlighted with a red box), 'State License Information (Cont', 'State License #', 'State License Type', 'State License Expire Date', 'Additional Information', 'Home Occupation? *', and 'Gross Int Sq Ft'. To the right of these labels is a dropdown menu. The dropdown is open, showing a list of SIC codes and their descriptions: '0762001 - Farm Management Services', '0762002 - Citrus Grove Management And Maintenance, With Or Without Crop Services', '0762003 - Farm Management Services', '0762004 - Orchard Management And Maintenance, With Or Without Crop Services', and '0762005 - Farm Management Services'. Below the dropdown list is a small text box that says 'Only numbers allowed'. At the bottom right of the form is a blue button with the text 'Save & Continue >>'.

Save & Continue >>

Step 2. Based on the SIC Code chosen, one of two things will happen.

1. If the SIC Code chosen is not one of the regulated SIC codes, nothing more will be required, you will be able to move forward with your application/renewal.
2. If the SIC Code chosen is one of the regulated SIC codes, you will be required to choose one of the permit types listed below.
 - NEC Number (No Exposure Certification)
 - NONA Number (Notice of Non-Applicability)
 - WDID Number (Waste Discharge ID Number)
 - WDID Application Number

help protect the environment by conserving resources.

SIC Code * 1459007 - Clays (common) Quarrying-not In Conjunction With Ma

Stormwater ID Type - Based on your SIC code, your business is required to have a Stormwater Permit issued by the State Water Board. Please select the permit type. *

Stormwater Number - Please provide the number for the type specified. If you selected "Other," provide a reason. *

State License Information (Contractor, Medical, etc.)

State License #

State License Type

Step 3. Complete your application/renewal process, review and submit.

SECTION 2: ABOUT SB 205

1. What is the SB 205?

Senate Bill (SB) 205 was signed into law by Governor Newsom on October 2, 2019 and became effective January 1, 2020. It requires a person or entity applying to a city or county for a new or renewed business license to demonstrate enrollment in a NPDES permit.

2. Where can I find the full text and additional information about the law?

Visit the California Legislative Information website, <https://leginfo.ca.gov> and search Bill number "Senate Bill 205" in the 2019-2020 legislative session.

3. What is an NPDES permit?

An NPDES permit is a federal permit that regulated point source discharges of pollutants into waters of the United States. The Clean Water Act prohibits discharge of pollutants from point sources into waters unless regulated by an NPDES permit.

4. Does SB205 impact all businesses?

No. Facilities, which industrial activities are described by one of the following criteria, are required to obtain coverage under the National Pollutant Discharge Elimination System (NPDES), General Permit for Storm Water Discharges Associated with Industrial Activities, Order No. CAS000001.

- Feedlots of a specific size (SIC codes 0211-0272) (https://gov.ecfr.io/cgi-bin/text-idx?SID=42c184dd9f16ffe191c33735daf97807&mc=true&tpl=/ecfrbrowse/Title40/40cfr412_main_02.tpl)
- Manufacturing Facilities (SIC codes 20XX-39XX and 4221-4225)
- Oil and Gas/Mining Facilities (SIC codes 10XX-14XX).
- Hazardous Waste Treatment, Storage, or Disposal Facilities (often SIC code 4953)
- Landfills, Land Application Sites, and Open Dumps (SIC code 4953)
- Recycling Facilities (SIC codes 5015 and 5093)
- Steam Electric Power Generating Facilities (specific activities under SIC code 4911)
- Transportation Facilities (SIC codes 40XX-45XX [except 4221-25] and 5171)
- Sewage or Wastewater Treatment Works (SIC Code 4952)

SECTION 3: SB 205 BUSINESS REQUIREMENTS

1. What does the Senate Bill 205 require of a business?

A business license applicant with storm water discharges from regulated industrial activities must obtain coverage under the NPDES Industrial General Permit and provide the city or county documentation of Notice of Intent coverage, No Exposure Certification coverage, or a certified Notice of Non-Applicability from the Water Board.

2. Where can I find the regulated SIC Codes?

Alphabetical: https://www.waterboards.ca.gov/water_issues/programs/stormater/sic.shtml

Numeric: https://www.waterboards.ca.gov/water_issues/programs/stormater/sicnum.shtml

3. What if my industrial business falls under the regulated SIC codes but I do not have a Notice of Intent, No Exposure, or Notice of Non-Applicability?

You must enroll under the Industrial General Permit using the Stormwater Multiple Application and Report Tracking System (SMARTS)

<https://smarts.waterboards.ca.gov/smarts/faces/SwSmartsLogin.xhtml>

4. What if my industrial business has one or more regulated SIC codes and I have a Notice of Intent, No Exposure Certification, or Notice of Non-Applicability?

Provide the City or County the following information on the application or renewal:

- All corresponding primary SIC codes
- Storm water permit number, known as Water Discharger Identification number (WDID) or application number
- No Exposure Certification (NEC) identification number issued by the State Water Board
- Notice of Non-Applicability (NONA) identification number issued by the State Water Board

5. What if my industrial business has a regulated SIC code but is not required to have a NPDES permit?

You will need to contact the Water Board for a Notice of Non-Applicability.

State Water Board storm water contacts;

- Email: stormwater@waterboards.ca.gov
- Phone: 1-866-563-3107
- Or apply online
